Subject — Letter No. 777/C/50 dated 4th August 1903 from the Inspector General of Police in Mysore recommending that the Sub Division Officer, French Rocks, be divested of his police powers in the Sub Division and the Dy Comr, Mysore Dt, be placed in immediate charge of the Police there.

In their Order of 18th March 1902 No. 1553-8-9/1333/B the Govt observed that the French Rocks Sub-Divn is distinguishable from other Sub-Divns in the Officer in charge having a greater freedom of action than other Sub Dn Officers, and that, while the ultimate responsibility for police administration vested in the Dy Comr, his supervision must be of a general character & not involve constant interference with the action of the Sub Dn Officer: Govt accordingly decided (among other things) that the Sub Dn Officer of French Rocks should exercise all the powers of a Dy Comr

in Police matters subject to
the general control of the Dep.ty Com.r
and to such exceptions as the
Inspector-General might (with
the sanction of Govt) prescribe

Mr Maclean now begs to
notice that the above arrange-
ment has worked unwillingly well, that
it has operated prejudicially
on the efficiency of the Police
~~force~~ in so important a sub-div.n
as French Rocks, that the Police
force is in a demoralised condition
owing to the strained relationship
between the Sub-div.l Officer & the
Asst Inspector of Police, and that
the existing arrangement cannot
with any benefit be continued any
longer. He says: "In the interest
"of the department it is a necessity
"that only an officer of the Dep.ty Com.rs
"standing should be the head, and
"therefore I beg to recommend that the
"sub-div.l officer may be divested of his
"police powers in the sub-division, and
"the police placed directly under the
"orders of the D.C. Com.r of Mysore."

The instance of the Kolar dist.,
where the Principal & the district police
and of the Kolar Gold fields, are directly
under the Deputy Com.r, of ~~the~~ adjacent

I may add that the question of going into the exceptional position of the Sub Division in regard to Local Govt matters has come under the consideration of Govt in connection with the draft Local Boards Rules—

12-8-03

As we are likely to do away with the exceptional position of the Sub-Divl Offrs in Revn. Matters & as Fr. Rocks is exceptionally treated even among Subdivisions in Police matters, I think the I-G's recommendation may be accepted. Probably this is a matter to go before the Council & is submitted for orders.

Sir

I have the honor to state that the arrangements ordered in Government Proceedings No 15538-9/J1333 dated the 18th March 1902 regarding the control of the Police work in the French Rocks Sub Division have not been working as well as could be desired . On the other hand the Deputy Commissioner of the Mysore District in whom are vested the authority of general supervision and the ---- ultimate responsibility , has only become a figurehead in as much as the Sub Division Officer is authorised to exercise all the powers of a Deputy Commissioner. It is certainly an anomaly that in the District proper the Deputy Commissioner should exercise all the powers -- inherent to his office while in the Sub Division in his District his powers should be limited , and that the Sub

Division officer who occupies a subordinate position in Revenue and other Departments should be empowered to exercise coordinate powers with him . In placing the police Department under the Deputy Commissioner as its executive head it must have been the intention of Government that this officer as District Magistrate should in his double capacity be able to manage the working of the Department more efficiently . The seperation of the Sub Division Police from the Deputy Commissioner's control has unfortunately deprived the Department of his valuable and wholesome supervision The result of this divided responsibility is that the efficiency of the Police Department in this important Sub Division has greatly suffered .

Again , it can hardly be expected that an Assistant Commissioner in charge of the Sub Division can exercise supervision in any satisfactory manner over the Superintendent or Assistant Superintendent of Police who is directly in charge of the work and is on a par with an Assistant Commissioner in status In my humble opinion, it is unavoidable that for the successful administration of any Department ; the officer in whom the ultimate responsibility lies should be recognised as the sole and exclusive head

of that Department or else the result would be far from satisfactory

In this connection I beg to state that my ---- predecessor had to bring to the notice of Government the strained relationship that existed between the Sub Divisional Officer and the Assistant Superintendent of Police - a state of feeling attributable to a want of tact and managing power on one side and inexperience and a show of insubordination on the other. Matters had assumed such an unfavorable aspect that contradictory orders were issued by the two officers on one and the same subject and the working of the Department was paralised , as it were for some time , so much so that the evil consequences are still apparent, and it will be long before a strong Superintendent will be able to remedy the demoralized condition of the Force . I am inclined to think , perhaps I may be wrong , that this state of things would not have occurred if the direct control over the Sub Division Police had not been taken away from the Deputy Commissioner. His superior position and authority would have prevented all irregularity , if any , on the part of the subordinate Police Officer

In these circumstances I feel compelled to state

that the arrangement existing in the Sub Division cannot with any benefit be continued any longer . In the interest of the Department it is a necessity that only an officer of the Deputy Commissioner's standing should be the head and therefore I beg to recommend that the Sub Division Officer may be divested of his police powers in the Sub Division and the Police placed directly under the orders of the Deputy Commissioner of Mysore . Such a modified arrangement will , I am sure , work more satisfactorily . The Deputy Commissioner of the Kolar District has two superior police officers under him , viz , the Superintendent of the Gold Fields in charge of the Taluks of Bowringpet , Malur and Mulbagal and the Assistant Superintendent of Police in charge of the rest of the District , both working independently of each other and yet Mr Carr has not found it difficult to manage the work and I fail to see why it should be otherwise in the Mysore District .

I request that you will be so good as to move Government to pass early orders in the matter .

I have the honor to be
Sir ,
Your most obedient servant

Inspector General of Police .
